Many read a little Ibsen. I cannot even say to times a detachment would reach its goal her in honor that the painting of piconly to find that the enemy had slipped tures and the laying of railroads would through its fingers once more. More than go along together in a happy parallel, once the grim evidence of his warm trail Jane and I are both too wise for that. I would be the bodies of the American advance guard from which the breath of to tell her that her art will always be life had escaped after cruel and lingering | so flavored with yellow primroses that it torture; bodies that lay blistering in the must inevitably fail. But even if I had sun, with hacked bits and jagged gaping the courage I could not convince her of wounds, while myriads of ants crawled anything—only that she must wear plain-

for their own land and their own people fought under equally distressing circum stances and at a greater disadvantage. Of course, in these latter days of peace our soldiers have a comparatively easy time among the Filipinos proper, but they still do a great deal more hiking and out. post duty than their comrades in this country. There is still intermittent fighting in the Moro country.

An interesting feature of our military strength in the islands is Fort William McKinley five miles from Manila. This is a brigade post with accommodations for two brigades and with an area that would accommodate an entire army corps in case of necessity. Each regiment has of every five soldiers in the United States a parade ground, and the arrangement of wooden or concrete buildings is most excellent. The post is reached by trolley in the Philippine Islands. Nearly 15,000 from Manila and is a great attraction Of special interest is Uncle Sam's little

army of 5,000 known as the Filipino lently drilled infantry force. It is in and bloody scrap against the Moros of Mindanao and the robber bands of Leyte

THE EVENING STORY.

The Modern Case of Jane.

BY MARGUERITE CAMPION.

When Jane sits under a hat full of think she is pretty, and she almost

"Tony, if I only had my colors I could paint you at this moment down to your very boutonniere. You have some very nice qualities of color against a background of old-oak wainscoting, and your cheek-bones make a remarkable high light. I am sure you would set every critic in New York a-marveling." That is the whole secret of the whole trouble. Jane would rather paint one little picture that would make one little art exhibition in Halifax than marry me. inhabit Luzon, with possibly 200,000 lt is not necessary for her to marry me. body. She had the cleverness to find a of a certain long, sleek, fashion-plate figure that displays the latest of everything

in voiles and velvets to the best advantage. She tells me she can do a dozen or more in the evenings of a single week, as no one else has learned the trick of
